4 FEB 1983

MEMORANDUM FOR: Executive Director

VIA: Deputy Director for Administration

FROM:

Director of Data Processing

25X1

SUBJECT:

Supercomputers

25X1

REFERENCE:

Multiple Addressee Memorandum, from
 Chief, Policy and Planning
 Staff, ICS, dtd 26 January 1983, Same Subject,
 DCI/IC 83-4224

25X1

Action Requested

1. Paragraph 6 is a recommendation that you sign the memorandum at Attachment I. This memorandum is in response to the Reference request from [] of the IC Staff for answers to a series of questions on Agency use of supercomputers, and the U.S. Government role in encouraging domestic supercomputer development. Due to the time limitation for coordination and preparation of the response, the information and positions presented must be viewed as tentative. []

25X1

25X1

Background

2. As the Reference indicates, an "Ad hoc Committee on Supercomputers," chaired by [] Assistant Director, Office of Science and Technology Policy (O/S&TP) met on 24 January to review supercomputer issues. The Intelligence Community was represented by [] Chief, Policy and Planning Staff, ICS. [] tasked committee members to respond to a set of questions by 7 February. The Office of Data Processing was, in turn, tasked by the CIA Executive Secretariat with providing an Agency response. In the limited time available, we have done our best to informally touch base and solicit the opinions of key DDI and DDS&T players. []

25X1

25X1

3. In our judgment, there are two key points from an Agency perspective. First, we are in the process of evaluating Agency requirements for a supercomputer. The Information Handling
